5 Year Product Warranty

American Skylights' products are warranted to the original purchaser for a period of five years from date of shipment against defects in material or workmanship provided that such products are installed in accordance with American Skylights' recommendations and instructions. The liability of American Skylights under this warranty shall not exceed the original purchase price of the defective unit or item exclusive of shipping expense. This warranty does not cover damage caused by misuse and is void if the purchaser makes any alteration to the structure or finish of the products. This warranty covers replacement domes and/or glazing for discoloration and manufacturing defects only. Not covered under this warranty are yellowing or loss of light transmissions caused by dirt, scratches, breakage, or impact damage to the plastic and/or glazing. Condensation is not unusual and is not warranted in a plastic glazed unit. American Skylights reserves the right to replace or repair the unit at its option.

To make a claim, present proof of purchase to American Skylights' factory, together with a written statement of the defect encountered. On all claims American Skylights reserves the right to visually inspect the product.

In addition to the above, all insulated glass is covered for ten years against failure of seal resulting in moisture and/or condensation forming between the glass.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state. This is a manufacturer's warranty made by American Skylights, Arlington, TX.

It is the responsibility of the purchaser to ensure that the product selection and application be in conformance with all applicable building code requirements. American Skylights waives all responsibility for the installation of our products which may fail to adhere to local and national building codes.

Specific Conditions: Frame & finish covered for five years from effective date.
